Spring Clean

Following on from the above, we do have to get the Club ready to open and, because of Covid restrictions we are unable to host our usual work parties just yet. To that end, we need lots of volunteers to help.

1. Take waste to council dump. Safety boat is full of rubbish to dispose of.
2. Strim and mow around.
3. Weedkill!
4. Repair Dory with epoxy and fiberglass
5. Pressure wash boats, covers and surroundings
6. Pressure wash and paint exterior walls – Clubhouse and Store
7. Clear gutters and clean facias
8. Clean windows
9. Paint floor in store
10. Replace curtain tracks
11. Make new curtains for Clubhouse
12. Clean out kitchen cupboards, cooker, fridges
13. Paint inside clubhouse.
14. Clear foreshore of debris
15. Dig in moorings. [JCB may be needed]
16. Paint steps
17. Paint the decking
18. Pressure wash the plastic furniture
19. Renew parking and safety signs

If you can help with any of the above please contact Marie or Alan. Until March 28th we can only work in twos so we need to co-ordinate the work to keep compliant. The smallest contribution helps get us back to enjoy the sailing and social activities comfortably and safely.

Committee Update

Sadly, Nigel Payn, one of our valued Committee members, has had to resign from the Committee because of personal commitments. Nigel is greatly missed, not only for his continued cheerfulness but also for his unstinting support of all our activities. We need more Members to join the Committee so that we can offer a balance of decision making and help us take the Club forward after the Covid crisis. Please contact any of the Committee members if you feel you could help the Club. Proposals will be brought to the AGM.

Our Club launch, Kivi has been sold. She was underused, partly because not many people were available to drive her and so was an unjustifiable expense. Currently, the Committee are exploring new safety boats and engines and will keep you informed of updates.

New Image

Now we can start to hope for a return to normal, as part of our Ten-year Plan we will be looking at updating our profile some of our communication and marketing tactics. At the moment, one of our young members is putting the finishing touches to a new Logo for the Club. We wanted one to indicate our sailing and associated water activities, ie: kayaks; paddle boards; windsurfers and power boats. The lovely Salmon logo will be missed by many but it was mentioned that it didn't indicate that we were a sailing Club.
