Sailing News

Although we haven't been out much recently (really?) there are some who are managing to enjoy the water. One such adventure is a team called Wildgybe, who are doing a sailing challenge round Britain to raise funds for the Macmillan Cancer Support and the Stroke Association. They have contacted us for support but meanwhile, check them out on <https://facebook.com/teamwildgybe>

There is also some good footage of the America's Cup series in New Zealand. Sky and YouTube are giving coverage – search Prada Cup New Zealand.

Padstow Harbour is closed to visiting craft at the moment, except for emergencies and please note that the lock gates are being serviced so will be closed from 22nd to 26th February.

Some of us are checking the stored boats at the Club when we go for our exercise but do let us know if you have any concerns.

Quiz Night

Our next quiz is on the 8th January and I will be sending out a Zoom invitation just before that date. Hope you can join in.

Ten-Year Plan

The Committee are considering the way forward for the Club, particularly after the current unprecedented conditions. To that end we are forming a ten-year plan to include looking at our profile and marketing PSC to the advantage of all our members. Once we have some ideas in place, we will be asking you, the membership, for your input.

Fundraising will be a big part of the plan so now is a good time to come up with ideas please.

We need your Help

We are in need of some marketing expertise and wondered if any of our members could assist our sub-committee with this project. We conduct our Meetings via Zoom. If you would like to be part of the team please contact me on 07958 948523.
